Campers can expect lots of interaction with Corvallis Knights players and coaches. The clinic will emphasize the basics of baseball and ways to have fun with the game.

Youth ages 5 through 18 are welcome.

Your instructors are Knights' players and the camp supervisor is Corvallis head coach Brooke Knight.

Campers must have a parent or guardian sign a liability release form to participate. To get a copy of the form prior to the camp, please email [dan.segel@corvallisknights.com](mailto:dan.segel@corvallisknights.com). The Corvallis Knights head trainer will be present at the clinic and attend to campers if necessary.
